BIBLICAL BASIS

Asking people for money??? What?? Don't worry!
Support raising is a tool God has used since Moses!
God knows when we are doing work in His Kingdom,
there will come a point where financial needs will
have to be met.

Whether you want to be a missionary long term or
just go on a short term mission trip, raising support
for these will not just benefit you, but it will benefit
the giver as well! Here are a few scriptures that give
Biblical basis for support raising and for
encouragement!

1 KINGS 17:7-16

2 CORINTHIANS 8:1-9:15

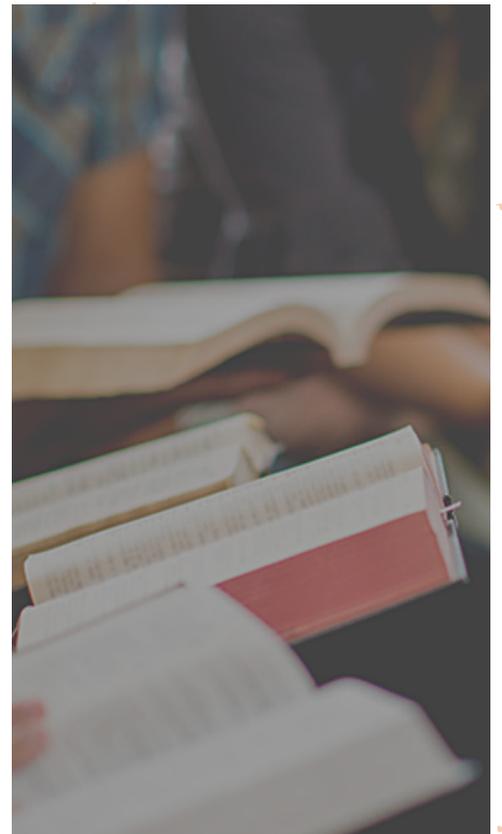

PHILIPPIANS 4:10 - 20

I CHRONICLES 28:1-29:20

NEHEMIAH 1:1 - 2:9

MATTHEW 7:7 - 12

ACTS 4:32 - 37

WHERE TO BEGIN???

Write out **30 to 100 people** that you are associated with. This could be mother, father, co-worker, friend from high school, professors, church home, etc. If you know someone who is gifted at support raising, ask them for references! Not everyone you ask will give and that is okay! But there are those who are willing to give!

WHAT TO SAY

PHONE CALL SCRIPT:

"Hi! How're you doing? I'm calling because I have an opportunity to go on a mission trip this spring break. I'm with Chi Alpha, a campus ministry and we're partnering with a ministry in Atlanta called Frontline Response. They minister to sex trafficking victims and the homeless. My budget for this trip is \$800. That means 8 people who donate \$100 or more. Would you be willing or able to give to support me to go on this trip?"

VOICEMAIL SCRIPT:

"Hello____, I hope you're doing well, I was calling because I have this opportunity to go on a mission trip to inner-city Atlanta Georgia to serve a ministry called Frontline Response. I will call you again in 2 days if I do not hear back from you! Thank you! God bless!"

Hello [Team Leader Name],

I contacted _(# of people)__ this week.

I have raised _(amount)_____ so far

This week was pretty cool, because I was able to raise \$50! I was nervous to ask my professor for funds, but she ended up giving me \$20! Also, I have a question: Do I continue contacting Dr. Doom even though he has not responded yet?

Sincerely,

[your name]
