

VANUATU

Summer Mission Trip Overview

JULY 6TH - 18TH

ASIA-PACIFIC & OCEANIA MISSIONS

Vanuatu is a South Pacific Ocean country made up of roughly 80 islands that stretch 1,300 kilometers. In Asia Pacific, 95% of people don't know Jesus; these places are considered **unreached by the gospel**.

This mission trip is an **opportunity** to help participants **grow** in their personal relationship with Christ while also **learning about another culture** and seeing the bigger picture of how God is working to bring all nations to the knowledge of Christ.

This mission trip amongst others can be a powerful, life-changing experience that broadens your perspective on God's global mission. It gives you better spiritual discernment, teaches you new skills, and gives you a chance to change the narrative of unreached people group to impact God's kingdom greatly.

The aim is NOT to **FIX them**, but we go to learn from the natives; about their culture and what they need help with the most. This trip focuses on helping and empowering the local communities through the love of Christ.

This is an experience worth having!
